

Thank You!
Obrigado!

Even though MAPS had to suspend the MAPS Senior Center in Cambridge when the COVID-19 pandemic started, we have been doing all that we can to ensure that our seniors don't feel alone and that all of their needs are met. From regular phone calls, hundreds of meals, exercise videos, at-home arts and crafts competitions, to even some small, safe get-togethers at local parks, we are very proud of the level of care that MAPS has been able to provide in these difficult times.

By signing up as a sponsor and/or registering to play in our 3rd edition, you will help make sure that MAPS can successfully continue its crucial mission of providing much-needed support and care to the many seniors who rely on the MAPS Senior Center in Cambridge.

On their behalf, we thank you for your continued and generous support.
